Theme	Call Identifier	Publication Date	Deadline
Marie Curie Reintegration Grants (RG)	FP7-PEOPLE-2010-RG	2009-10-09	2010-09-07
Marie Curie Initial Training Networks 2011 (ITN)	FP7-PEOPLE-2011-ITN	2010-07-20	2011-01-26
Marie Curie Industry-Academia Partnerships and Pathways (IAPP)	FP7-PEOPLE-2011-IAPP	2010-07-20	2010-12-07

Reintegration Grants (RG) aims to reinforce the attractiveness of Europe by encouraging European researchers who have carried out research outside Europe for at least three years. The scheme aims to reintegrate the researchers to a Member State or an Associated country in order to contribute to European research and transfer the knowledge they have acquired in a third country, by offering them the opportunity to capitalise on their experience in Europe.

Marie Curie International Initial Training Networks (ITN)

Marie Curie Initial Training Networks offer early-stage researchers the opportunity to improve their research skills, join established research teams and enhance their career prospects. ITN proposals are selected in an open competition.

Marie Curie International Industry-Academia Partnerships and Pathways (IAPP)

The Industry-Academia Partnerships & Pathways (IAPP) is a Marie Curie Action that seeks to open and foster cooperation between public research organizations and private commercial enterprises, in particular SMEs, based on longer term cooperation programmes, for increasing knowledge-sharing and mutual understanding in both industrial and academic sectors. This cooperation is implemented between at least two organizations (one from public sector and one from private sector), from at least two different countries. The duration of a project is between three and four years.
